

47430 Westoak Rd

In res pose TO file SR2021-01 (crows feet)

I am against the project
The parking and ~~the~~ associated traffic
will be a problem

As it is no one is able to control
the speeding on Westoak RD

A bar is the wrong choice

The stage is not for a residential area.
Will there be restrictions on the noise.
Coming from the out door drinking
area, and stage

Currently, when M.O.B is in town
(they are roughly 1/4 mile away) you
can hear the shouting and music while
inside the house.

But the bar and stage will be a nightly
source of noise way too close to a
residential area.

would you want that across from
your houses?
I say not, in my front yard
