Subject: Transcascadia/ Crow's Feet project

To members of Westfir City Council,

My name is Marcello Ojerio and I have been an Oakridge home owner for nearly 20 years. I am writing in support of Transcascadia and Crow's Feet Westfir project. I was drawn to the world class mtn biking and have grown to love the place and the people of Westfir/ Oakridge. As a long standing employee of the Willamette Mountain Mercantile, I have had the opportunity to get to know Nick , Jessie, and David, both personally and professionally. Like myself, they clearly love the outstanding trails surrounding Westfir/ Oakridge and the culture that makes this place special. Over the past few years I have been heartened by the way they have respectfully engaged with the local community whilst establishing Transcascadia. Transcascadia and Crow's Feet bring a background of successful ethical business practices that will further contribute to the local economy. I am happy to support their efforts and project in Westfir.

Regards,

Marcello Ojerio
