To Westfir Planning Commission

My name is Robert Zielinsky and I am
a 36 year resident of the City of Westfir
and also a Senior Citizen - 92 years old -

I strongly urge you to reject the
proposal of the Trans Cascadia RV park.
Their intrusion will only benefit the
Park owners at the expense of the
tranquility and quality of life for the
for Westfir residents. A lot of work by
a lot of people went into turning
Westfir into the quiet and liveable
area that it is.

Let us not let an outside
organization come in and destroy our
little corner of Paradise now or in
the future.

Barring the unforeseen, I hope to
spend my remaining years here.

Respectfully,
Robert E. Zielinsky
