City of Westfir
Planning Commission
47411 Westoak Road
Westfir, Oregon 97492

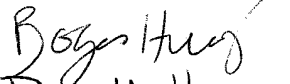

To whom it may concern,

We have a question we would like to address to the Planning Commission.

What revenue does the City of Westfir expect to receive from the Transcascadia project. Will there be exemptions offered to Transcascadia in regards to fees and taxes?

A printed format of expected revenue and exemptions is requested.

Respectfully,

Roger and Deretta Huey
